WHAT IS THIS TEACHER DOING? THE CHILDREN ARE JUST PLAYING!!

I'm developing mobility of thought...

I'm practicing cooperation.

I'm developing more advanced language.

I'm developing story and enhancing my story comprehension.

I'm making observations about the properties of various insects.

I'm developing a sense of self.

I'm developing fine motor skills.

I'm developing handwriting coordination.

I'm developing handwriting coordination.

I'm developing gross motor skills.

I'm learning to "decenter" my viewpoint.

I'm learning how to take turns.

I'm developing number concepts.

I'm developing a good self-concept.

I'm developing a good self-concept.

I'm following a mental plan.

I'm developing physical coordination.

I'm organizing and conceptualizing my world.

I'm developing classification skills.

I value play as an important medium for learning. I have developed a broad range of developmental goals with the focus on play. This program provides children with play experiences that enable them to develop and accumulate their own knowledge!
