

Perinatal and Early Childhood Mental Health Network

Nouvo paran ak fiti paran yo ka fè fas ak anpil defi. Lè ou gen yon sante mantal ki pozitif sa kontribye nan byennèt ou ak byennèt tibebe w la.

Èske ou gen enkyetid konsènan emosyon w, konpòtman w, oswa relasyon w pandan oswa apre gwosès la? **Kontakte nou pou jwenn sipò.**

Kontakte yon klinik ki espesyalize nan sante mantal perinatal ak pou timoun piti ki toupre w la. Klinik yo pral bay sèvis pou sipòte oumenm ak pitit ou pandan premye ane lavi yo.

NYC Perinatal and Early Childhood Mental Health Network (Rezo Sante Mantal pou Perinatal ak pou Timoun Piti nan Vil New York) la ofri terapi adistans ak an pèsòn pou moun ki ansent ak pou paran ak moun k ap pran swen tibebe nan tout Vil New York.

Nou akeyi tout moun ak tout fanmi, epi sèvis yo disponib nan plizyè lang.
