Perinatal and Early Childhood Mental Health Network

Tout fanmi vle bay pitit yo yon baz solid pou lavi. Pou jèn timoun—tibebe, timoun piti, ak timoun preskolè—sante mantal ki pozitif kontribye nan tout aspè kwasans ak aprantisaj yo.

Èske w gen yon enkyetid konsènan emosyon, konpòtman, oswa relasyon pitit ou a? **Kontakte nou pou jwenn sipò.**

Kontakte yon klinik ki espesyalize nan sante mantal pou perinatal ak pou timoun piti ki toupre w la. Klinik yo pral bay sèvis pou sipòte oumenm ak pitit ou pandan premye ane lavi yo.

Nou akeyi tout fanmi, epi sèvis yo disponib nan plizyè lang.
